#WeAreFEBA

* In some countries such as Estonia, Germany and the Netherlands, FEBA members redistribute food not only to other charitable organisations but also provide food directly to end beneficiaries. This is the aggregation of data provided by FEBA Full Members at European level. Due to technical difficulties the number of beneficiaries, food quantities and co-workers in 2020 were not available for Tafel Deutschland e.V. (Germany). These numbers are replaced with data 2019.
