876,316

tonnes of food redistributed

12.4 million most deprived people

44,884 charitable organisations

351 Food Banks committed to prevent food waste and reduce food insecurity

97,940 co-workers

* In some countries such as Estonia, Germany and the Netherlands, FEBA Members redistribute food not only to other charitable organisations but also provide food directly to end beneficiaries. This is the aggregation of data provided by FEBA Full Members and Associate Members at European level. In the case of Tafel Deutschland e.V., the data for food quantities is based on an estimation.
