**STATUTORY AUDITOR'S REPORT TO THE
GENERAL MEETING OF THE ASSOCIATION
EUROPEAN FOODS BANKS FEDERATION
FOR THE YEAR ENDED 31 DECEMBER 2022**

In the context of the statutory audit of the annual accounts of European Foods Banks Federation (the Association), we hereby present our statutory auditor's report. It includes our report on the audit of the annual accounts as well as our report on the other legal and regulatory requirements. These reports form part of an integrated whole and are indivisible.

We have been appointed as statutory auditor by the general meeting of 24th June 2022, following the proposal formulated by the board of directors. Our statutory auditor's mandate expires on the date of the general meeting deliberating on the annual accounts closed on 31 December 2024. We have performed the statutory audit of the annual accounts of European Foods Banks Federation for four consecutive years.

Report on the audit of the annual accounts

Unqualified opinion

We have audited the annual accounts of the Association, which comprise the balance sheet as at 31 December 2022, the surplus and deficit account for the year then ended and the notes to the annual accounts, characterised by a balance sheet total of € 7.079.977,94 and a profit and loss account showing a profit for the year of € 138.119,97.

In our opinion, the annual accounts give a true and fair view of the Association's net equity and financial position as at 31 December 2022, as well as of its results for the year then ended, in accordance with the financial reporting framework applicable in Belgium.

Basis for unqualified opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Belgium. Our responsibilities under those standards are further described in the '*Statutory auditor's responsibilities for the audit of the annual accounts*' section in this report.

BMS & C° S.R.L.

We have complied with all the ethical requirements that are relevant to the audit of annual accounts in Belgium, including those concerning independence.

We have obtained from the board of directors and association officials the explanations and information necessary for performing our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the board of directors for the annual accounts

The board of directors is responsible for the preparation of annual accounts that give a true and fair view in accordance with the financial reporting framework applicable in Belgium, and for such internal control as the board of directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the board of directors is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board of directors either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Statutory auditor's responsibilities for the audit of the annual accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue a statutory auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the board of directors;
- Conclude on the appropriateness of the board of directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we

are required to draw attention in our statutory auditor's report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our statutory auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the annual accounts and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

Report on the other legal and regulatory requirements

Responsibilities of the board of directors

The board of directors is responsible for the preparation and the content of the management report, as well as for the compliance with the legal and regulatory requirements regarding bookkeeping, with the Companies and Associations Code and with the Association's by-laws.

Responsibilities of the statutory auditor

In the context of our mandate and in accordance with the Belgian standard (Revised in 2018) which is complementary to the International Standards on Auditing (ISAs) as applicable in Belgium, it is our responsibility to verify, in all material aspects, the management report and compliance with certain provisions of the Companies and Associations Code and of the Association's by-laws, as well as to report on these elements.

Aspects related to the management report

In our opinion, after having performed specific procedures in relation to the management report, the management report is consistent with the annual accounts for the same financial year, and it is prepared in accordance with articles 3:5 and 3:6 of the Companies and Associations Code.

In the context of our audit of the annual accounts, we are also responsible for considering, in particular based on the knowledge we have obtained during the audit, whether the management report contains any material misstatement, i.e. any information which is inadequately disclosed or otherwise misleading. Based on the procedures we have performed, there are no material misstatements we have to report to you.

We do not express any form of assurance whatsoever on the management report.

Statement related to the social balance sheet

The social balance sheet, to be deposited at the National Bank of Belgium in accordance with article 3:12, § 1, 8° of the Companies and Associations Code, includes, both in terms of form and content, the information required by the said Code, and does not present any material inconsistencies with the information that we have at our disposition during the performance of our mandate.

Statement related to independence

Our audit firm did not provide services which are incompatible with the statutory audit of annual accounts, and we remained independent of the Association during the terms of our mandate.

Other statements

Without prejudice to certain formal aspects of minor importance, the accounting records are maintained in accordance with the legal and regulatory requirements applicable in Belgium. The appropriation of results proposed to the general meeting complies with the legal provisions and the Association's by-laws.

There are no transactions undertaken or decisions taken in breach of the by-laws or of the Companies and Associations Code that we have to report to you.
